

Kiwi English Academy

IELTS PREPARATION COURSES

Kiwi English Academy offers IELTS courses that support students aiming for: General IELTS for immigration purposes, or Academic IELTS for entry into New Zealand tertiary institutions. Our IELTS preparation courses run throughout the academic year.

COURSE FEATURES

- A **structured** course: includes General English plus IELTS-specific study once students have reached Intermediate level.
- An **accredited** course: KEA is NZQA accredited to teach General English Plus IELTS Preparation.
- An **empowering** course: students are encouraged and supported to take personal responsibility for their study and progress.
- A **multi-national** cohort: our IELTS course attracts students from many countries including Chile, China, Korea, Russia, Taiwan, Thailand & Vietnam.

PATHWAYS

Kiwi English Academy has well-established pathways for students who wish to go on to New Zealand tertiary institutions or study in other countries. Our students have progressed to a number of universities and institutes of higher learning both in New Zealand and overseas.

COURSE LENGTH

Our IELTS preparation course is 20 hours a week for a recommended 12 weeks, but the actual length of study depends on each student's level at their time of entry into Kiwi English Academy. Based on our experience, the suggested length of intensive language training is as follows:

Students aiming for General IELTS 5.0 / 5.5

from Elementary/Pre-Intermediate Level:

General English 12-16 wks + IELTS 12 weeks

Students aiming for Academic IELTS 5.5

from Elementary/Pre-Intermediate Level:

General English 12 weeks + IELTS 12 weeks

Students aiming for Academic IELTS 6.0

from Pre-Intermediate Level:

General English 24 weeks + IELTS 12 weeks
